That would be helpful I'm sure, thanks. Amanda spoke to Director in Parl Affairs, they were perhaps going to connect with MINO to see if we need to appear...

Justin,

Suggest we share the Qs and As/media briefing materials with Trish and team once they are approved.

Thanks for the head's up. I do not think we have any insights or advice. In the absence of new info, seems to make sense to dust off the previous materials as you say. As you can imagine, we are quite slammed. But here to support as needed.

Heads up – a fresh appearance request re: C8 for Thursday afternoon. Amanda is reaching into FIN Parl affairs as well to let them know; we have been in touch with the secretariat and the early indication was topic was CERB fraud (likely in relation to previous CBC article). I haven't actually seen the motion. EXCO is aware here, not sure we have scope to push – they are looking to go to clause by clause week after next I think and next week is a break as I understand it for this cttee. Dusting off previous materials and considering who may attend.

As you know, we did appear on this issue back in December. We expect current context to of course surface will do our best to prep. We may require your support for some Q and A prep.

Clerk would want confirmation from us today I believe.

Advice/thoughts welcome...
